Warnings: External use only. Protect from heat and light. Do not contact with eyes. In case of contact with eyes, rinse immediately with plenty of water. Keep out of children's reach and store in room conditions. Before usage, make sure your skin is dry, nonirritated, cream-free and oil-free. Do not use on varicose veins, moles, chapped, irritated wounds, sunburned skin or areas that have had an adverse reaction to wax in the past. Always wait 72 hours between two waxing sessions. Consult your doctor before use if you are using any medication that may affect your skin or if you have any skin disease. Waxing is not suitable for the elderly, diabetics and people on retinoid therapy. Do not use water, soap or alcohol to clean the wax. Do not apply the wax to the same area more than once. Do not use a perfumed product after waxing. Wait at least 2 hours before sunbathing or swimming. Keep the outer packaging.
